PHYSICAL EDUCATION (CORE PE)

In Years 10 and 11 you will get the opportunity to participate in a number of new activities which you would not have encountered in Years 7, 8 and 9.

We want to give you the opportunity to experience activities which you may decide to continue when you leave school. The programme devised includes new activities such as aerobics, self-defence, boxing, table tennis and baseball. Also included are activities such as football, basketball and trampolining. We are also offering activities offsite such as golf and badminton as we have close links with sporting organisations in the area. If there is anything else you feel we can offer, students are more than welcome to give their suggestions to the PE Department.

RELIGIOUS STUDIES

Key Stage 4 Statutory Provision

By law (Education Reform Act 1988) all students have to continue their religious education until the end of Year 11. The school meets this provision through its Personal, Social and Health Education and Citizenship programme, which you study with your form tutor. The school will ensure that the Local Curriculum for RE is delivered in full.
