Special Educational Needs and Disability Information report

This SEND Information Report outlines information regarding the ways in which we provide support for all students with Special Educational Needs and Disabilities (SEND), in order to realise their full potential, make outstanding academic and personal progress and grow to be equipped for their future lives. Provision may change and develop over time.

The information required to be included in this SEND Information Report is stated in **The Special Educational Needs and Disability Regulations 2014 SCHEDULE 1: Information to be included in the SEN information report**. This can be found at: <http://www.legislation.gov.uk/ukxi/2014/1530/schedule/1/made>

N.B. EHCP is the recognised abbreviation for ‘Education Health and Care Plan’.

Regulation	Question	School response
<p>1. The kinds of Special Educational Needs for which provision is made at the school</p>	<p><i>What kinds of SEND do pupils have in your school?</i></p>	<p>Children are identified as having SEND when they have a significantly greater difficulty in learning than the majority of children the same age.</p> <p>At The Earls High School we support students in the four broad areas of SEND:</p> <ul style="list-style-type: none"> • Communication and Interaction. • Cognition and Learning. • Social, Emotional and Mental Health difficulties. • Sensory or Physical difficulties.
<p>2. Information, in relation to mainstream schools about the school’s policies for the identification and assessment of pupils with special educational needs.</p>	<p><i>How do you know if a pupil needs extra help?</i></p>	<p>When your child first joins The Earls, we use information from a range of sources to help identify SEND and other needs. These include information from parents/carers; primary school teachers; end of key stage 2 levels; base line testing; literacy and numeracy tests; subject teachers; specialist colleagues and external agencies.</p> <p>Our teachers, Faculty Directors, Curriculum Leaders and Heads of School closely monitor the progress and attainment of all students, including those who have or may have SEND. The continuous monitoring of students during their time at The Earls will further identify pupils with a special educational need. This identification may come from tutors, subject teachers, support colleagues, Heads of Year/School, outside agencies, parents/carers or the pupils themselves.</p>

<p>3b. The school's arrangements for assessing and reviewing the progress of pupils with special educational needs</p>	<p><i>How do you check and review the progress of my child and how will I be involved?</i></p>	<p>The school will send home either progress or full reports each year which will show your child's current and target levels as well as reporting on their effort, behaviour and homework.</p> <p>Faculty Directors, Curriculum Leaders, Heads of School and special needs staff will monitor and review your child's levels and pick up on any subjects where your child is not making the right amount of progress. Intervention is then put in place, initially by the subject teacher. At the next reporting time we will check whether appropriate progress has been made.</p> <p>We welcome the involvement of parents/carers and want to keep you up to date and involved with your child's progress. We do this through parents evenings; notes in planners; email; telephone calls; appointments made with individual teachers; Annual Reviews (for those on the SEND register).</p> <p>The school provides information for parents through newsletters; information on the website; Open/Information days; Parents Evenings and letters home.</p>
<p>3c. The school's approach to teaching pupils with special educational needs</p>	<p><i>How do teachers help pupils with SEND?</i></p>	<p>Our teachers have high expectations of all students, including those with SEND. Teaching staff will be informed about your child's individual needs and have experience and/or are appropriately trained to adapt their lessons to meet these requirements. This may involve using different strategies and more practical adaptation of resources and activities, with the aim that your child can access the lessons fully.</p> <p>Within school there are a variety of staff roles to help us fully support your child. Where it is felt it is the right thing to do a student may be offered additional help and support, in which case you would be informed. There are a range of interventions and additional subject support which are available.</p> <p>When your child is approaching the start of Key Stage 4, if we think it is needed, we will assess and apply for exam access arrangements according to the Joint Council for Qualifications exam regulations.</p>
<p>3d. How the school adapts the curriculum and learning environment for pupils with special educational needs</p>	<p><i>How will the curriculum be matched to my child's needs?</i></p>	<p>Most of our students follow the curriculum available to all students, however a very small number of students have a more personalised curriculum to match their individual needs, interests and abilities.</p> <p>Our school is a safe and accessible building and we do our best to make it welcoming to the whole community. All safeguarding procedures and risk assessments are in place and adhered to by staff.</p>

	<i>How accessible is the school environment?</i>	We have a range of different facilities to help SEND students throughout our school including a number of lifts, a disabled toilet, ramps in some areas and where access to classrooms is not possible by wheelchair, the room timetable is modified to ensure that students can access the entire curriculum.
3e. Additional support for learning that is available to pupils with special educational needs	<p><i>Is there additional support available to help pupils with SEND with their learning?</i></p> <p><i>How are the school's resources allocated and matched to children's special educational needs?</i></p> <p><i>How is the decision made about how much/what support my child will receive?</i></p>	<p>The first wave of support provided for students with special needs is via high quality teaching and we further enhance this provision by maintaining small class sizes (particularly for core subjects) for groups containing students with special needs.</p> <p>Where appropriate we also use teaching assistants, specialist teaching staff and provide further support through the Heads of Year/School, the SENCo and the SEN Managers.</p> <p>Resources are allocated based on evidence of need and effectiveness. Students with an EHCP have resources allocated as outlined in their plan. Teaching Assistants are allocated, where resources allow to support students in lessons. Staff liaise closely with them to ensure maximum effectiveness. They have a huge range of skills to offer in supporting students directly and indirectly, assisting staff and helping parents/carers.</p> <p>Students with EHCP's will have targets and strategies set by the Learning Support team. Annual reviews involving the student, parents/carers, subject staff and other professionals evaluate those targets and strategies. The decision is based on evidence of need and impact.</p>
3f. How the school enables pupils with special educational needs to engage in the activities of the school (including physical activities) together with children who do not have special educational needs	<p><i>What social, before and after school, and other activities are available for pupils with SEND?</i></p> <p><i>How can my child and I find out about these activities?</i></p>	<p>A large range of academic, sporting and other extra-curricular clubs are available at The Earls High School. These are open to all students, including students with SEND.</p> <p>Additionally we run a range of activities to support SEND students including a Homework Club and other targeted support before and after school and at lunchtimes in the Wellbeing Hub</p> <p>The Extra-Curricular activities list is available on the schools website. SEND Clubs are advertised to students through the learning support base.</p>

	<i>How will my child be included in activities outside the classroom, including school trips?</i>	All children in the school are encouraged to take part in extra activities at break time, lunchtime and after school. Day and residential trips are open to all children and your child's specific needs can be discussed if they wish to join such a trip.
3g. Support that is available for improving the emotional, mental and social development of pupils with special educational needs	<i>What support will there be for my child's overall well-being?</i>	At The Earls High School, we take our pastoral responsibilities seriously. We pride ourselves on providing a high level of student support and guidance. One way we support our students is by assigning them to a form tutor who will (where possible) remain with them as they progress up the school. This provides continuity and builds a strong relationship between tutor and students. We operate a Wellbeing Hub which provides additional individual support for students with special needs, in relation to their emotional, mental and social development. There are additional members of staff who are able to provide pastoral support, these include: The Heads of Year, Heads of School, the SENCo, and the SEN Managers. We also liaise with a number of external agencies for example: Speech and language team, Autism outreach, C.A.H.M.S. and the Hearing Impairment service.
