### **JCQ Contingency Afternoon/Day for GCSE Exams**

The awarding bodies have designated Thursday 6<sup>th</sup> June PM, Thursday 13<sup>th</sup> June PM and Wednesday 26<sup>th</sup> June 2024 as ‘contingency days’ for examinations. The designation of ‘contingency days’ is in the event of national or significant local disruption to examinations in the UK. It is part of the awarding bodies’ standard contingency planning for examinations.

Therefore, **all students must ensure they remain available for exams up to and including Wednesday 26<sup>th</sup> June 2024**. In the event there is disruption to a day of examinations, the awarding bodies will decide the most appropriate option for managing the impact. As a last resort, the affected examinations will be rescheduled. Where students choose not to be available for the rescheduled examination, they will be awarded zero marks for that exam.
