1. Introduction

At The Earls High School our high expectations apply to our School Uniform as well as all other aspects of the education we provide. We believe that a formal, smart uniform is in the best interests of the school, our students and the local community that we serve. We are grateful for the support of our parents and of the students themselves in achieving high standards of dress and appearance both in and out of school.

Students are expected to respect and adhere to the uniform code and we ask parents to help by supporting us in this endeavor. To enable us to reinforce and maintain these high standards, and to ensure fairness, it may be necessary on rare occasions to use appropriate sanctions.

Our uniform is practical, cost-effective and easily maintained; and one that students wear with pride. It removes the pressure from our students to judge or be judged about the way they dress during the school day and therefore has a positive effect on mental health. In addition, it allows our students to be recognisable in the wider community and ensures that students are modestly dressed and safe to take part in school lessons and activities.

The policy gives due consideration to the guidance issued under the '[Cost of School Uniform](#)' from the Department for Education.

2. Objectives of the policy

The policy sets out to:

- Describe clearly the expectations we have for school uniform.
- Ensure that uniform remains high profile by outlining the roles of staff in monitoring school uniform.
- State the role of parents and governors in supporting our school uniform.
- Outline the consequences for students not meeting school uniform expectations.
- Outline how the school ensures that the cost of uniform is reasonable, that second-hand uniforms are available and how support is provided with the cost of school uniform where necessary.

3. The Role of Parents

We are grateful for the support of our parents in helping us achieve and maintain high standards of uniform.

We ask that parents;

- Work in partnership with the school to ensure that all students are sent to school in the correct uniform.
- Reinforce our expectations with regard to general appearance, eg hairstyles, piercing, etc.
- Communicate with the school, for instance by writing a note in the planner, if for some unavoidable reason a student has to attend school without full uniform.

If a student persistently fails to wear our school uniform, parents may be contacted to bring in the correct clothing.

4. The Role of Governors

It is the role of governors to;

- Approve the policy and ensure that it is reviewed regularly.
- Monitor the implementation of the policy to ensure that it is fit for purpose and it is implemented fairly and with sensitivity.
- Ensure that the school uniform policy meets all statutory guidance concerning equal opportunities and cost.

5. The Role of Staff

It is the role of all staff at the school to ensure that the policy is followed by the students, specifically:

Form tutors will check each student's uniform during registration period. If any students are not in school uniform Form Tutors will record it on Class Charts. For students who are persistently not meeting uniform expectations, they will refer them to their Year-Coordinator.

Pastoral staff will carry out spot checks on uniform and for those who are persistently not meeting expectations they may put in place interventions to support the student such as:

- Contact home by letter, email or telephone
- Asking parents to bring in the correct uniform
- Loaning students the correct uniform from our uniform stores
- Issuing detentions or other sanctions

All staff should support the uniform policy by asking to see the planner of students who are not in the correct uniform. If a student is out of uniform without permission they should be sent to student reception. This should be done in a non-confrontational way, using the 'praise before prompt' strategy.

6. The Role of Students

- Students will respect and adhere to our uniform code and wear their Earls uniform with pride.
- Students can expect to be challenged if they fall short of our high expectations.
- Students must organise themselves and bring PE and other specialised kit to school when required. Repeated failure to bring kit can also lead to further sanctions and parents/carers will be contacted.

Pupils are expected to remember these requirements when they visit the barbers or hairdressers

10. Value for Money

The Earls High School takes seriously our responsibility to ensure that school uniform is affordable. We do this in the following ways:

- For Earls specific items we provide a choice of a number of uniform suppliers.
- We avoid logos on school trousers, skirts and shirts to allow parents a choice of where they purchase.
- We encourage second hand uniform through periodic second-hand uniform swaps. Each Year Coordinator holds spare second-hand uniform and parents should make contact if required.
- We have a limited hardship fund that we use to provide financial assistance. Again, contact should be made through your child's Year Coordinator.
