# Data Retention Policy for Stour Vale Academy Trust

## **Legal Obligations**

Article 5 of the UK General Data Protection Regulation (UK GDPR) defines the principles relating to the processing of personal data. Article 5(1)(e) states:

*'Personal data shall be kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Article 89(1) of the applied UK GDPR subject to implementation of the appropriate technical and organisational measures required by the applied UK GDPR in order to safeguard the rights and freedoms of the data subject ('storage limitation').'*

Data Protection Act 2018, Chapter 2, Section 90 sets out the fifth data protection principle (*requirement that personal data be kept for no longer than is necessary*).

To this end, Stour Vale Academy Trust ('the Trust'), comprising the member schools and the central team, has adopted the Policy as specified below.

## **Purpose**

The purpose of this policy is to provide a statement of intent on how the Trust intends to manage its data in terms of retention.

The policy is underpinned by the UK GDPR Article 5(1)(e) and Data Protection Act 2018 'storage limitation' and 'data minimisation' principle, in respect of hard copy and electronic information.

## **Scope**

The Trust is aware that at present there is not a sector-wide data retention policy guidance document. However, there are examples of best practice which the Trust follows, including the Information and Records Management Society (Information Management Toolkit for Academies) (the schools have a link from their Pupil Privacy Notice to the Toolkit).

It is the intention of Stour Vale Academy Trust to ensure that all records and the information contained therein are:

**Accurate** - records are always reviewed to ensure that they are a full and accurate representation of the transactions, activities or practices that they document.

**Accessible** - records are always made available and accessible when required (*with additional security permissions for selected staff where the document content requires it*).

**Complete** - records have integrity in terms of content, context and structure.

**Compliant** - records always comply with any legal and regulatory record keeping requirements.

**Monitored** - staff and system compliance with this Data Retention Policy is regularly monitored to ensure that the objectives and principles are being complied with and that all legal and regulatory requirements are being adhered to.

### **Data Retention**

The Trust recognises that data retention is based on justification, i.e. if the Trust can justify it, it can keep it.

The Trust also recognises the following:

1. why it is holding the data in the first instance (please refer to the Trust's Privacy Notice);
2. the legal duty to retain the information for a set period of time;
3. the need to transfer data from one school to another, and between schools and the central team, and in doing so whether there is still a requirement to keep the information;
4. its actual responsibility, i.e. whether appropriate long-term retention is someone else's job, such as the receiving institution or local authority;
5. expectations of Ofsted in terms of the length of time schools can perform detailed reporting;
6. in some instances, the use of aggregated data (counts of pupils) or de-personalised data (individual rows but with names and other identifiers removed).

### **Data Retention Housekeeping**

For all data and records obtained, used and stored within the Trust, we:

1. carry out periodical reviews of the data retained, checking purpose, continued validity, accuracy and requirement to retain;

2. establish and verify retention periods for the data;
3. have processes in place to ensure that records pending audit, litigation or investigation are not destroyed or altered;
4. transfer paper-based records and data to an alternative media format in instances of long retention periods (*with the lifespan of the media and the ability to migrate data, where necessary, always being considered*).

### **Information Asset Register**

All data assets have designated owners to ensure accountability and a systematic approach to data retention and destruction. The Information Asset Owners are identified in the Trust's Information Asset Registers.

The Information Asset Register identifies the data asset, data asset owner, lawful basis for processing personal data, access and security, format, retention periods, risks/impacts, data protection impact assessments undertaken and whether a privacy notice is in place. It also records any data breaches against the information asset.

### **Data Retention Schedule**

Data Protection Law does not impose specific limits or prescriptions on periods of retention for any data. Nevertheless, the Trust recognises the importance of putting in place a Data Retention Policy to demonstrate compliance with the 'storage limitation' principle. It also recognises that the retention of data varies greatly with the different area of administration of school life.

The Data Retention Schedule (Appendix 1) which forms part of this policy has been arranged into the following data retention categories:

#### **1.0 Governance, Funding and Financial Management of the Multi-Academy Trust**

- 1.1 Governance of the Multi-Academy Trust
- 1.2 Board of Directors, Members' Meetings and Governing Bodies
- 1.3 Funding and Finance
- 1.4 Policies, Frameworks and Overarching Requirements

#### **2.0 Human Resources**

- 2.1 Recruitment
- 2.2 Operational Staff Management
- 2.3 Management of Disciplinary and Grievance Processes
- 2.4 Health and Safety

#### **3.0 Management of the Academy**

- 3.1 Admissions

3.2 Headteacher and Senior Management Team

#### **4.0 Property Management**

4.1 Property Management

4.2 Maintenance

4.3 Fleet Management

#### **5.0 Pupil Management**

5.1 Pupil Educational Record

5.2 Attendance

5.3 Special Educational Needs

#### **6.0 Curriculum Management**

6.1 Statistics and Management Information

6.2 Implementation of Curriculum

#### **7.0 Extracurricular Activities**

7.1 Educational Visits outside the Classroom

7.2 Walking Bus

#### **8.0 Central Government and Local Authority**

8.1 Local Authority

8.2 Central Government

#### **9.0 Internal Correspondence and General Memoranda**

9.1 Internal Correspondence and General Memoranda

#### **10.0 ICT**

10.1 ICT Incident Reports

#### **11.0 Teaching School (pre-September 2021)**

11.1 School Direct Trainees and Newly Qualified Teachers

#### **12.0 Covid-19 Data**

12.1 Covid-19 Data and Data in the School Life App

Whilst the Data Retention Schedule draws on recommended 'best practice' retention periods from the IRMS Toolkit for Academies, the IRMS Schools Toolkit and the Department for Education Data Protection Toolkit for Schools, it recognises that there is not a definitive standard across the sector. It also uses other best practice retention guidelines from within the sector.

Where there is any ambiguity or doubt over the retention period of records, the Trust has sought legal advice.

#### **Erasure**

The Trust recognises that data subjects have the right to request the erasure of their personal data, but that this is not an absolute right to be forgotten. Data subjects may request the erasure of their personal data only where one of the following grounds applies:

1. the personal data are no longer necessary in relation to the purposes for which they were collected or otherwise processed;

2. the data subject withdraws consent on which the processing is based according to UK GDPR Article 6(1)(a), or UK GDPR Article 9(2)(a), and where there is no other legal ground for the processing;
3. the data subject objects to the processing under UK GDPR Article 21(1) and there are no overriding legitimate grounds for the processing, or the data subject objects to the processing under UK GDPR Article 21(2);
4. the personal data have been unlawfully processed;
5. the personal data have to be erased for compliance with a legal obligation;
6. the personal data have been collected in relation to the offer of information society services directly to a child (UK GDPR Article 8(1)).

### **Data Destruction**

All information of a confidential or sensitive nature will be destroyed in a secure way. This ensures that the Trust is compliant with Data Protection Law and recognises the duty of confidentiality.

The Trust is committed to the secure and safe disposal of any confidential waste and information assets in accordance with its contractual and legal obligations and to disposal carried out in an ethical and compliant manner.

The Trust confirms that its approach and procedures comply with the laws and provisions made in the UK GDPR and that staff are trained and advised accordingly on the procedures and controls in place.

The Trust will maintain a record of disposal of information assets.

Appendix 2 of this policy provides a record of disposal used by the Trust.

### **Outcomes**

By implementing the Data Retention Policy, the Trust will:

1. support the efficient and effective use of its infrastructure through appropriate data storage;
2. minimise the risk to personal data by practising data minimisation;
3. avoid inaccurate or duplicate data;

4. meet legislative and regulatory requirements for the deletion of data;
5. meet the requirements of Data Protection Law.

## Appendix 1: Data Retention Schedule

For ease of use and to ensure appropriate retention of data, the following colour-coding system has been used:

**Blue** = Data retained at **Central** level only

**Yellow** = Data retained at **Academy** level only

**Green** = Data retained at **Central** and at **Academy** level
