1. What is special consideration?

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control **at the time of the assessment**. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for an examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (JCQ's A guide to the special consideration process, section 1)

This publication is further referred to in this guidance as [SC](#)

2. Purpose of the guidance

The purpose of this guidance is to identify roles and responsibilities in the special consideration process and confirms that The Earls High School will "submit any applications for special consideration where candidates meet the published criteria."

[JCQ General Regulations for approved centres section 5.9]

3. Eligibility for special consideration

3.1. Roles and responsibilities

3.1.1. Head of centre

Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication [SC](#)

Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams assistant

3.1.2. Exams assistant

Understands the criteria as detailed in SC to determine where candidates will/will not be eligible for special consideration

Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

3.1.3. Teaching staff and/or ALS Lead/SENCo

Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration.

3.1.4. Candidates (or parents/carers)

Provide any medical or other evidence that may be required to determine eligibility for special consideration

4. Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.

For candidates who are present for the assessment but disadvantaged The Earls High School must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. (SC, section 3)

1. Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
 - the candidate will be kept comfortable and under centre supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions
 - a judgement will be made on how the candidate's situation or disposition affected performance in the exam
 - where appropriate and where eligible, special consideration will be applied for
2. Where candidates may be affected by a major disturbance in the exam room (emergency evacuation etc.), special consideration will be applied for on behalf of all candidates.
3. Where a candidate takes multiple exams (three or more exams) timetabled for the same day and the total duration for those papers is more than 5 hours 30 minutes for GCSE, Level 1 , Level 2 exams including *any approved extra time but not any time taken for supervised rest breaks*, special consideration for an allowance on last paper taken will be applied for.
4. Where a candidate may be affected by a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.

If a candidate is absent from a timetabled component/unit for acceptable reasons, and the centre can support this, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. ([SC](#), section 4)

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in [SC 5](#) and applied for where eligible. This might include, for example:

- other certification
- coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow [SC 7](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.

For GCE and GCSE qualifications, applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration

For other qualifications, applications will be submitted online where the awarding body's secure system accepts these

[Form 10](#) *Application for special consideration* will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
