Strategies and Resources for Revision:

Re-watch all key sequences for all study films.

Revise and develop class notes taken and film form in (yellow pages in Film Studies resource booklet).

Create mini plans for answering questions worth 5 or more marks. Practise PEDAL.

Revise, learn and practise using higher tier Film terminology.

Use exam walkthroughs/past papers to improve your understanding of the exam format and question types.

Read exemplar responses and scrutinise mark criteria.

Use revision resources provided on Teams to consolidate class work.
